

Check out the latest from the Office of Diversity, Inclusion & Equity!

Welcome to Fall 2023 at Lehigh University! For those unfamiliar with our office, we are responsible for developing and implementing a comprehensive plan to enhance and build on Lehigh's efforts to advance its commitment to a diverse, inclusive and antiracist campus. We do this through strategic planning, training, education and research, community relations, policy development and communications. Our stem is comprised of the Office of Diversity, Inclusion & Equity and our advocacy centers: the Center for Gender Equity, the Center for Student Access and Success, the Chaplain's Office, the Office of Multicultural Affairs, and the Pride Center for Sexual Orientation & Gender Diversity. This newsletter will give you a taste of what's happening through ODI&E on campus, but we invite you to [explore our website](#) to get a richer picture of all that we have to offer.

Another great way to learn more about us is to visit us at **Rock the Block 2023!** This annual mini block party offers all of campus the opportunity to come chat with us about who we are, what we do and how we do it together. Stop by STEPS Lawn (STEPS Concourse if it rains) on Wednesday September 6 between 11 AM and 1 PM to grab some information, swag, tacos, and to meet our newest team members Dr. Carly Dickerson (CGE) and Dr. Robert Robertson (OMA)! First Year students can get 5x10 credit for their participation. Special guest appearance by Princess Buttercup, the (un)official mascot of ODI&E! All are welcome—we're excited to see you!

Meet Our New Team Members!

The Office of Diversity, Inclusion & Equity welcomed two amazing team members this summer.

Dr. Robert Robinson is the **Interim Director for the Office of Multicultural Affairs**. Dr. Robinson was most recently the Chief Culture, Equity, and Advancement Officer for the Allentown School District (ASD). Prior to his role at ASD, Dr. Robinson was the Vice President for Diversity, Equity, and Inclusion at Northampton Community College. He was also the Director of the Office of Multicultural Student Affairs at the University of North Georgia. “I feel privileged to have been granted my chance to contribute my services in this significant role. I urge each member of our community to actively engage with OMA. I eagerly anticipate collaborating with each of you as we work towards creating an even more inclusive and fair campus community. Visit Robert in Christmas Saucon 233, email him at rlr323@lehigh.edu or stop by Rock the Block to meet him!

Carly Dickerson, Ph. D., is the **Associate Director for the Center for Gender Equity**. She received her PhD in Linguistics from The Ohio State University, and most recently was a postdoctoral associate with the Language and Social Justice Initiative of the Language Engagement Project at Rutgers University-New Brunswick. Her area of expertise is language and gender, with a special research interest in how notions of gender (and specifically masculinity) are constructed, perceived, and performed in Albanian society. Carly is very excited to get to know the Lehigh community and to find ways to collaborate meaningfully with groups across campus. She is particularly looking forward to working with and mentoring students. Stop by Christmas Saucon 342, email cad623@lehigh.edu or join us at (you guessed it) Rock the Block to meet Carly!

(Rock the Block full details are directly above)

Save The Date for Lehigh/Lafayette! Join BALANCE, LAAN, and LAPA for an unforgettable weekend and celebration of the Lehigh/Lafayette Rivalry. We will gather at Taste Smokers for great food and conversations on **Friday, November 17th**. Join us the following morning with a breakfast co-sponsored with The Office of Multicultural Affairs, and The Pride Center. We will continue the celebration up on Goodman Campus for an all-affinity Tailgate. For more information or to make sure you get the invite email, please reach out to Keith Gustafson, Associate Director of Alumni Engagement and Inclusion Initiatives at keg415@lehigh.edu.
